

INDEX

A

- Abstinence from night sleep as a treatment for endogenous depressions 45
- Ampicillin. Treatment of serious urological infections with cefotaxime compared to ampicillin plus netilmicin 49
- Andersen, Bent Nyboe: *Se Rasmussen, Ole Øder* 196
- Andreasson, Benny: Invasive and intraepithelial neoplasia of the vulva 184
- Androgen. Gonadotropin and Androgen Levels in Patients Operated upon for Cryptorchidism 336
- Aneurysm. Ruptured intracranial aneurysm 53
- Angina pectoris. Transdermal Nitroglycerin (Transiderm-Nitro) in the Treatment of Unstable Angina Pectoris 265
- Arendrup, Maiken: *Se Kolby, Peter* 268
- Arendrup, Maiken: *Se Pedersen, Court* 270
- Arteriogenic erectile impotence 134
- Autoantibodies in juvenile connective tissue diseases 249
- Axelsen †, Frank: *Se Larsen, Vagn Højkjær* 161

B

- Bagger, Jens Peder: *Se Dahlstrøm, Carl Gustav* . 265
- Barlebo, Henrik: *Se Sørensen, Bent Lauritz* .151
- Bay-Nielsen, Henning: *Se Sørensen, Bent Lauritz* 151
- Beck, Henning: *Se Rasmussen, Ole Øder* 196
- Bennet, Paul: *Se Bollerslev, Jens* 336
- Billroth II resection. The long-term results following Billroth II resection for duodenal ulcer 319
- Bladder cancer. The Copenhagen bladder cancer project I 151
- Bladder cancer. The Copenhagen bladder cancer project II 155
- Bleeding ulcer. Endoscopic management of the bleeding ulcer. A survey 1
- Blood flow. Local regulation of subcutaneous blood flow and capillary filtration in limbs with occlusive arterial disease 111
- Bollerslev, Jens, Hardy F. Røhl, Else Krag Sørensen & Paul Bennet: Gonadotropin and An-

- drogen Levels in Patients Operated upon for Cryptorchidism 336
- Bone mass of mandibles. In vitro and in vivo analyses 23
- Brandslund, Ivan: The development and use of analytical methods for investigation of pathophysiological and immunopathological mechanisms in serum-sickness like reactions during penicillin treatment 304
- Bremmelgaard, Annie: *Se Rasmussen, Dorte* 49
- Brinkløv, Morten M.: *Se Larsen, Vagn Højkjær* 161

C

- Capillary filtration. Local regulation of subcutaneous blood flow and capillary filtration in limbs with occlusive arterial disease 111
- Cardiomyopathy. Development of apical hypertrophic cardiomyopathy 106
- Caries. Prevention and Treatment of Dental Caries. Consensus Report 199
- Cefotaxime. Treatment of serious urological infections with cefotaxime compared to ampicillin plus netilmicin 49
- Chelating drugs and zinc 208
- Christensen, M. & P. Rødbrø: Reliability for an imaging test: Evaluation of scintigraphy to reveal liver state in gastrointestinal cancer .. 203
- Christensen, M., H. Foltved & P. Rødbrø: Reproducibility of an imaging test: Evaluation of dual liver scintigraphy by a long-term procedure 205
- Christensen, P.: *Se Larsen, Vagn Højkjær* 161
- Chron. inflamm. bowel disease. Complement and function of neutrophils in chronic inflammatory bowel disease 222
- Cryptorchidism. Gonadotropin and Androgen Levels in Patients Operated upon for Cryptorchidism 336

D

- Dahlstrøm, Carl Gustav, K. Rasmussen, Jens Peder Bagger, P. Henningsen & Torben

<i>Haghfelt: Transdermal Nitroglycerin (Transderm-Nitro) in the Treatment of Unstable Angina Pectoris</i>	265
Dental caries. Prevention and Treatment of Dental Caries. Consensus Report	199
Dental patient. Drug addiction and viral hepatitis in the dental patient	228
Depression. Abstinence from night sleep as a treatment for endogenous depressions	45
Diabetes. Circulating immune complexes, insulin antibodies, and deposits of immunoglobulins in the skin in diabetes	171
Diabetic pregnancy. Fetal oxygenation in diabetic pregnancy	64
Diabetic pregnancy. Ultrasound studies on fetal crown-rump length in early normal and diabetic pregnancy	296
Diabetics. Illness-behaviour, attitude, and knowledge in newly diagnosed diabetics	165
Digoxin. Non-interaction between nifedipine and digoxin	109
Drug addiction and viral hepatitis in the dental patient	228
Duodenal ulcer. The long-term results following Billroth II resection for duodenal ulcer	319

E

<i>Egeskjold, Else-Marie L.: Autoantibodies in juvenile connective tissue diseases</i>	249
<i>Eickhoff, Jens H.: Local regulation of subcutaneous blood flow and capillary filtration in limbs with occlusive arterial disease</i>	111
<i>Elmgreen, Jens: Complement and function of neutrophils in chronic inflammatory bowel disease</i>	222
Endogenous depression. Abstinence from night sleep as a treatment for endogenous depressions	45
Endoscopic management of the bleeding ulcer. A survey	1
<i>Enk, Bernard: Se Josephsen, Paul Gebhardt</i>	171
Epidural morphine. Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine	161
Erectile impotence. Arteriogenic erectile impotence	134

F

Fetal crown-rump length. Ultrasound studies on fetal crown-rump length in early normal and diabetic pregnancy	296
Fetal movements as an indicator of fetal well-being	213
Fetal oxygenation in diabetic pregnancy	64
<i>Fischer, Anders Brask: The long-term results following Billroth II resection for duodenal ulcer</i>	319
<i>Folke, Kirsten: Se Kassiss, Eli</i>	106
<i>Foltved, H.: Se Christensen, M.</i>	205

G

<i>Gammelgaard †, P. A.: Se Sørensen, Bent Lauritz</i>	151
Gastrin. Molecular forms of gastrin in antrum and duodenum after parietal cell vagotomy	196

Gastrointestinal cancer. Reliability for an imaging test: Evaluation of scintigraphy to reveal liver state in gastrointestinal cancer	203
<i>Gaub, Johannes: Se Kolby, Peter</i>	268
<i>Gaub, Johannes: Se Pedersen, Court</i>	270
<i>Gerstoft, Jan: Se Kolby, Peter</i>	268
<i>Gerstoft, Jan: Se Pedersen, Court</i>	270
Glucocorticoid receptors of lymphoid cells. Cell biological and clinical aspects	12
Glycosaminoglycans. Urine and tissue glycosaminoglycans and their interrelations	75
Gonadotropin and Androgen Levels in Patients Operated upon for Cryptorchidism	336

H

<i>Haghfelt, Torben: Se Dahlstrøm, Carl Gustav</i> ..	265

<i>Larsen, Vagn Højkjær, P. Christensen, Morten M. Brinkløv & Frank Axelsen †:</i> Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine	161
LAV/HTLV-III screening. The LAV/HTLV-III screening in Copenhagen	268
<i>Lindhardt, Bjarne Ørskov:</i> <i>Se Pedersen, Court</i> ..	270
Liver. Reliability for an imaging test: Evaluation of scintigraphy to reveal liver state in gastrointestinal cancer	203
Liver scintigraphy. Reproducibility of an imaging test: Evaluation of dual liver scintigraphy by a long-term procedure	205
Lymphoid cells. Glucocorticoid receptors of lymphoid cells. Cell biological and clinical aspects	12

M

<i>Madsen, Hans:</i> Fetal oxygenation in diabetic pregnancy	64
<i>Madsen, Jan Lysgaard:</i> <i>Se Pedersen, Knud Erik</i> ..	109
Mandibles. Bone mass of mandibles. In vitro and in vivo analyses	23
<i>Metz, Peter:</i> Arteriogenic erectile impotence	134
Morphine. Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine ..	161

N

<i>Neldam, Steen:</i> Fetal movements as an indicator of fetal well-being	213
Neonatal period. Vestibular toxicity following netilmicin therapy in the neonatal period	107
Neoplasia of the vulva. Invasive and intraepithelial neoplasia of the vulva	184
Netilmicin. Treatment of serious urological infections with cefotaxime compared to ampicillin plus netilmicin	49
Netilmicin. Vestibular toxicity following netilmicin therapy in the neonatal period	107
Neutrophils. Complement and function of neutrophils in chronic inflammatory bowel disease	222
Nicomorphine. Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine	161

Nifedipine. Non-interaction between nifedipine and digoxin	109
Nitroglycerin. Transdermal Nitroglycerin (Transderm-Nitro) in the Treatment of Unstable Angina Pectoris	265
Non-interaction between nifedipine and digoxin ..	109

O

Occlusive arterial disease. Local regulation of subcutaneous blood flow and capillary filtration in limbs with occlusive arterial disease	111
<i>Ostenfeld, Ib:</i> Abstinence from night sleep as a treatment for endogenous depressions	45

P

Pain relief. Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine ..	161
Parietal cell vagotomy. Molecular forms of gastrin in antrum and duodenum after parietal cell vagotomy	196
<i>Parnas, Josef:</i> Risk factors in the development of schizophrenia	127
<i>Pedersen, C.:</i> <i>Se Kolby, Peter</i>	268
<i>Pedersen, Court, Peter Kolby, Jens Hein Sindrup, Maiken Arendrup, H. C. Wulf, Johannes Gaub, Jan Gerstoft & Bjarne Ørskov Lindhardt:</i> Immunological studies in homosexual men with and without antibodies to human T-cell lymphotropic virus type III	270
<i>Pedersen, Jan Fog:</i> Ultrasound studies on fetal crown-rump length in early normal and diabetic pregnancy	296
<i>Pedersen, Knud Erik, Jan Lysgaard Madsen, Niels Anders Klitgaard, Karen Kjær & Steffen Hvidt:</i> Non-interaction between nifedipine and digoxin	109
<i>Peitersen, Birgit:</i> <i>Se Hauch, Anne-Marie</i>	107
<i>Peitersen, Erik:</i> <i>Se Hauch, Anne-Marie</i>	107
Penicillin treatment. The development and use of analytical methods for investigation of pathophysiological and immunopathological mechanisms in serum-sickness like reactions during penicillin treatment	304
Penicillinase Production in <i>Staphylococcus Aureus</i> . Strains of Clinical Importance	175
<i>Permin, Henrik:</i> <i>Se Josephsen, Paul Gebhardt</i> ..	171
<i>Petersen, Birte:</i> <i>Se Rasmussen, Ole Øder</i>	196
<i>Petersen, Carsten Sand:</i> Isolation and characterization of antigens from <i>Treponema Phagedenis</i> biotype Reiter cross-reacting with <i>Treponema Pallidum</i>	257
Plaque-forming cells in man	273
Plasma proteins. Platelets and plasma proteins in the early phases of thrombusformation	96
Platelets and plasma proteins in the early phases of thrombusformation	96
Postoperative pain relief and respiratory performance after thoracotomy: A controlled trial comparing the effect of epidural morphine and subcutaneous nicomorphine	161
<i>Poulsen, Jørgen Hjelm:</i> Urine and tissue glycosaminoglycans and their interrelations	75
Pregnancy. Ultrasound studies on fetal crown-rump length in early normal and diabetic pregnancy	296

R

<i>Rasmussen, Dorte, Annie Bremmelgaard, Finn Rasmussen & Jørgen Thorup: Treatment of serious urological infections with cefotaxime compared to ampicillin plus netilmicin</i>	49
